

## Kick back and relax!

Where memories are created

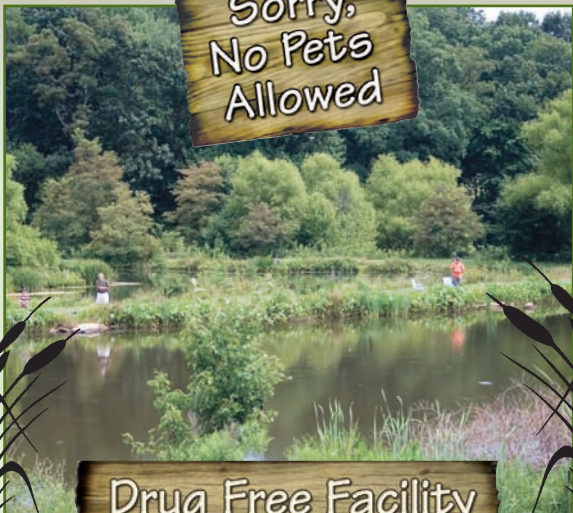

We welcome you to a private setting where fishing is the preferred pastime. Enjoy fresh country air, away from all the hustle and bustle of your everyday busy lifestyle. Spend some quality time with your kids. Watch them grin with pride as they catch a Trout, Rockfish or Catfish.

At Fish-in Barrel you'll find:

- No license required
- Cleaning station
- No Creel Limits
- Bait for sale
- Tackle for rental or purchase
- A great, open place for fly fishing beginners to practice the art of casting
- Great place for a kid's Birthday Party

Fund raising opportunities are available.

## Knowing your way around

All ponds will have colored pipes denoting species of fish available for that pond. See color chart below:

- Hybrid Rockfish
- Trout
- Catch and release
- No Fishing

**Catch and release ponds** (with red pipe markers) contain a varying mixture of the following species: catfish, bluegill, large mouth bass, yellow perch and crappie. These species may be bought or released in any pond, with the exception of large mouth bass, which must be released.

**Trout** (in ponds marked with blue pipe markers) and **Rockfish** (in ponds marked with yellow pipe markers) must be bought.
